Space and Naval Warfare Systems Center San Diego Awards Contract

SAN DIEGO — L-3 Communications Titan Corp., (formerly Titan Corp., Engineering Services Division), San Diego, Calif., is being awarded an \$11,362,058 indefinite-delivery/indefinite-quantity contract with cost-plus-fixed-fee pricing to support Navy research, development, testing, and evaluation for the Submarine Communication Information and C4I Systems Division. This contract is one of two contracts awarded; both awardees will compete for task orders during the ordering period. This 3-year contract includes two 1-year options, which if exercised, would bring the potential, cumulative value of the contract to \$21,165,279. Work will be performed in San Diego, Calif., and is expected to be completed May 2009. Contract funds will not expire at the end of the current fiscal year. This contract was competitively procured via publication on the Federal Business Opportunities website (solicitation N66001-05-R-5017) and posting to the SPAWAR e-Commerce Central website, with seven offers were received. The Space and Naval Warfare Systems Center, San Diego, Calif., is the contracting activity (N66001-06-D-0090).
